January	<p>Weight Management (Group Class) <i>Instructor: Jason Mousel, MS, RD</i> This is a remote 4-week interactive class that explores the physical and emotional factors of body weight. We will gather from our homes to discuss and experiment with how we're currently eating. We'll look into our pantries and share a meal together to explore portion sizes, eating pace, and how to increase our enjoyment of eating. We will learn practical, research-based techniques for improving nutritional health and create a sustainable, individualized weight management plan. This holistic approach includes the full scope of a healthy lifestyle: stress, sleep, mindset, exercise, and food. Each session covers a specific topic, group discussion, and engaging activities to practice at home. <i>*Full series enrollment required. FREE for HMO Brown & Toland members; \$60/class for all else. Scholarships may be available. Scholarships may be available.</i></p>	<p>Thursdays, January 14 – February 4 5:00 – 6:30 pm</p> <p>Call / Email to enroll (415) 923-3155 cpmccchrc@sutterhealth.org</p>
	<p>Emotional Eating Support Group <i>Facilitator: Sabine Haake, MA, RD</i> This 8-week program combines therapeutic meal experience with cognitive behavior work to help participants overcome eating in stressful or emotional situations. Participants bring their own dinner and begin to practice distinguishing between emotional and physical hunger in a small and judgment-free environment. Participants take steps to understand the internal and external stressors that trigger disordered eating behavior, and begin to develop a nurturing and compassionate relationship with their body with the help of our behavioral specialist. <i>*Full series enrollment required. FREE for HMO Brown & Toland members; \$60/session for all else. Scholarships may be available.</i></p>	<p>Thursdays, January 21 – March 11 5:30 – 7:00 pm</p> <p>Call / Email to enroll (415) 923-3155 cpmccchrc@sutterhealth.org</p>
February	<p>Promoting Wellness with Three Habits <i>Presenter: Leah Kramer, LCSW</i> As behavioral health professionals, we often meet our clients in therapy and focus on challenging unhelpful thoughts and behaviors in an effort to make positive changes in their lives. Evidence shows us that changing or adding new behaviors can improve our psychological health. We will discuss three evidence-based habits – gratitude, getting out in nature, and mindfulness – that help everyone, not just those suffering from depression and anxiety.</p>	<p>Thursday, February 18 3:30 – 5:00 pm</p> <p>Zoom Webinar ID: 892 1464 4635</p>
	<p>A Deeper Understanding of the Ear: Hearing & Tinnitus <i>Presenters: Jennifer Henderson-Sabes, Au.D. and Shu-En A. Lim, Au.D. (University of the Pacific, Hearing and Balance Center)</i> Doctors Henderson-Sabes and Lim present information about the ear-brain system. They will discuss the system's role in coding and decoding sounds in our environment, along with the development of tinnitus. The doctors will also discuss new advancements in hearing device technology that aim to help deficits in the ear-brain system.</p>	<p>Thursday, February 25 2:30 – 4:00 pm</p> <p>Zoom Webinar ID: 831 9716 1632</p>
March	<p>Nutritious & Delicious Cooking Demo <i>Presenter: Laura Bull, DI (Morrison Internship)</i> The presenter will guide you through the steps of cooking an easy, tasty, and nutritious meal. The cooking demonstration will also include meal planning and grocery shopping tips as well as nutrition information about the ingredients used in the recipe. The presenter will address portion control and tips on storing prepared foods and ingredients. Questions throughout the demonstration are encouraged.</p>	<p>Tuesday, March 2 4:00 – 5:30 pm</p> <p>Zoom Meeting ID: 848 1478 1102</p>
	<p>Mindful Eating (Group Class) <i>Instructor: Jason Mousel, MS, RD</i> Eating while feeling stress or during emotional situations can impact our health in an 'unsavory' way. This can often leave us feeling out of control and unhealthy. Join our 4-week class to experience how mindful eating can change the way you look at food and have an enjoyable eating experience. A registered dietitian will support participants to process feelings around eating in various situations and to learn steps to successfully shift attitudes and thoughts. We will each bring our own dinner and practice eating mindfully in a small judgment-free environment. In addition, this class will aid clients to take food risks, plan successful eating strategies and implement changes to improve health. <i>*Full series enrollment required. FREE for HMO Brown & Toland members; \$60/class for all else. Scholarships may be available.</i></p>	<p>Thursdays, March 4 – March 25 5:00 – 6:30 pm</p> <p>Call / Email to enroll (415) 923-3155 cpmccchrc@sutterhealth.org</p>

March	Investigating Joint Pain <i>Ishita Aggarwal, MD (Pacific Rheumatology Associates)</i> If you suffer from significant joint pain and swelling, join Doctor Ishita Aggarwal to learn about your chronic pain and how to better manage it. This lecture will cover common causes and treatments, specifically reviewing conditions such as osteoarthritis, rheumatoid arthritis, psoriatic arthritis, and gout.	Thursday, March 11 3:30 – 5:00 pm Zoom Webinar ID: 816 2789 7119
	Gentle Yoga (Series) <i>Instructor: Lisa Marie Amparo, RN</i> Staying active as we age is an important part of maintaining our health. However, bodily stiffness and aches can make exercising a challenge. To safely encourage movement, an experienced nurse and yoga instructor will guide you through gentle yoga stretches and poses that will help stimulate your breathing and promote relaxation. In this class, we will listen to our bodies and move safely, releasing stiff muscles and aches. Participants have the option to utilize a chair throughout the class for more comfort. No prior experience or physical requirements necessary. An open mind and heart encouraged!	Thursday & Friday, April 1 – April 2 4:00 – 5:00 pm Zoom Meeting ID: 897 0984 7769
April	Advance Health Care Directives <i>Facilitator: Scott Plymale, LCSW, PhD</i> Advance Health Care Directives are important for all individuals over the age of 18 to have in place so that a person's wishes will be followed if one becomes unable to make decisions. Take the time now to understand and determine choices for care at the end of life. You will receive official paperwork to review and keep as part of this class. *Fee of \$10/person collected during registration.	Monday, April 26 12:00 – 1:00 pm Call / Email to register (415) 923-3155 cpmcchrc@sutterhealth.org
